

A cordial invitation to *kitchen girls*, a one night group show on Saturday, 22 June 2013, 6 – 10 pm in a private home in Berlin-Kreuzberg.

Six artists from the U.S. and Germany were invited by Jonny Star to share together with her their stances on the subject of cooking, kitchen and everyday life of a housewife. The result is a marvelous, surreal, and bizarre world that we will dive into together. Kitchen, bedroom, living room and studio will be included in the show.
